Anncr: Do you want a better life? It's a simple equation: Training equals job skills, job skills equals a job...( if you don't have one)...a better job if you 're working. A good job equals more money, more security..a better life.

If you want to start living the equation, call Work One today at 877-456-JOBS.

The Wabash Valley Advanced Manufacturing Cluster has a new skills 1 certification program designed to help raise your job skills. And, it's free, so do the math, then call Work One at 877-456-JOBS or visit 456jobs.com for a better life.
